Investigations Division

The Georgia Peace Officer Standards and Training Council has discretionary authority by law, to discipline officers. Disciplinary action is taken in the form of sanctions against an officer's certification. Action is based on the preponderance of evidence that they were in violation of the P.O.S.T. Act (O.C.G.A. §35-8 as amended).

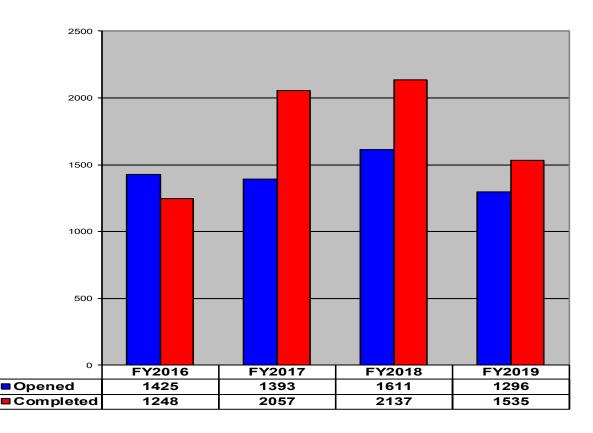

Discipline/Investigation of Officers

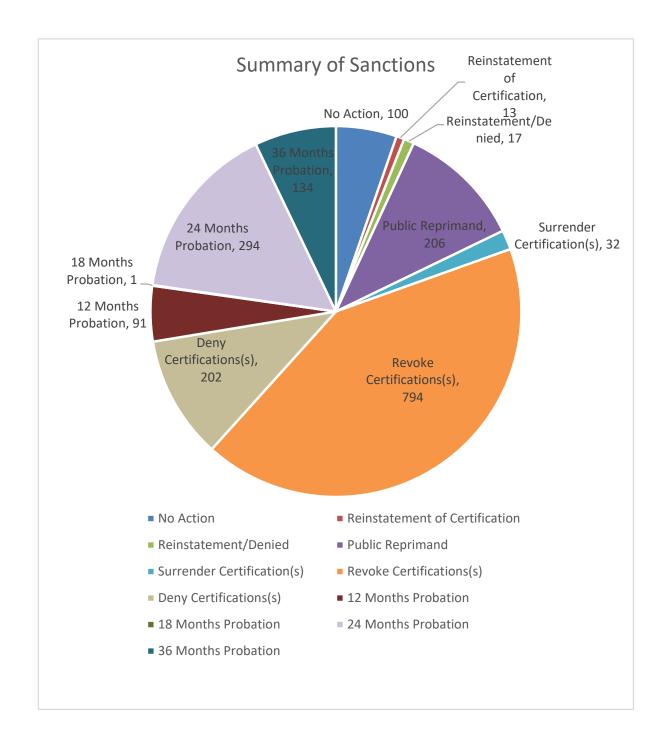

This division is responsible for investigating terminations of officers, suspensions of more than 30 days, and alleged criminal involvement of any officer. The investigator then reports to the P.O.S.T. Council <u>Probable Cause Committee</u> (PCC) for further action/recommendation. The PCC recommends a sanction to the Council, which may include: (a) Revocation of Certification; (b) Suspension of Certification; (c) Probation; or (d) Sanctions as permitted by Law, (O.C.G.A. 35-8-7.1(11)). During FY 2019 there were over 100 felony arrest/indictment suspension orders issued.

Technical Assistance

The investigation division also provides technical assistance to the law enforcement agencies and their officers in matters relating to the P.O.S.T. Act.

Hearings

Officers are entitled to challenge sanctions imposed on their certification by the Georgia Peace Officer Standards and Training Council. The officer's due process is afforded through and administrative hearing in accordance with the Georgia Administrative Procedures Act (O.C.G.A. §50-13).

It is estimated that over 15% of the officers sanctioned by the Council appeal within the allotted fifteen (15) day period by filing a written request for a hearing. Once received, a "pre-hearing conference" is scheduled with the affected officer, the officer's legal representative, and a member of the Attorney General's Office. During a pre-hearing conference, a negotiated settlement is explored. The Attorney General makes a recommendation as to whether to proceed to a formal hearing or suggest an alternative.

Unsettled cases are forwarded to the Office of State Administrative Hearings (O.S.A.H.). A Special Assistant Administrative Law Judge is assigned by the Chief Judge of O.S.A.H. to preside in a contested case and schedules a complete evidentiary hearing in the disputed matter. Upon conclusion, the Judge will render a "Final Decision" (conclusion is the same as Council's action) or an "Initial Decision" (conclusion differs from Council's action). Initial Decisions are reviewed by the Georgia Peace Officer Standards and Training Council through a "Final Agency Review". Officers may appeal all decisions in Superior Court as a matter of law. During Fiscal year 2019 there were 174 pre-hearing conferences held.

P.O.S.T. Operations Division

The <u>P.O.S.T. Operations Division</u> is responsible for providing administrative support and special services. Other major responsibilities include:

- ➤ Rule Revisions
- Technology Support for Headquarters & Field Officers
- > Administrative Hearings
- Pre-Investigative Consent Orders

During FY 2019 P.O.S.T. responded to approximately 6965 Open Records Requests. This Division is tasked with searching for and implementing new processes that will make the agency more efficient.

PRE-INVESTIGATIVE CONSENT ORDERS

The Pre-Investigative Consent Order (commonly referred to as PICO) Program was designed to help alleviate the Investigation Division with backlog cases and reduce their case load as a result of the implementation of the POST Data Gateway. The PICO program allows certain applicants/candidates and certified officers to resolve a POST disciplinary issue in an expedient manner with use of consent orders for certain violations similar to plea agreements in certain criminal cases.

Although POST Council approved POST RULE Chapter 464-7 entitled Pre-Investigative Consent Orders in December 2015, the rule became effective on Jan. 10, 2016. The process became available to Applicants and Certified Officers after March 9, 2016 POST Council Meeting.

According to POST Rule Chapter 464-7, Pre-investigative consent agreements may be entered into by Georgia POST Council and an applicant/candidate for certification or person certified pursuant to O.C.G.A. Title 35, Chapter 8. POST Council may issue a pre-investigative consent order in situations in which the individual agrees to the imposition of certain disciplinary sanctions in accordance with O.C.G.A. Title 35, Chapter 8, Section 7.1. Entering into a consent agreement resulting in a consent order is entirely voluntary and any person entering into such agreement waives all other proceedings, hearings and processes normally associated with actions taken by POST Council.

In certain instances, using guidelines approved by the POST Council, a pre-investigative consent order may be offered, in lieu of a full POST disciplinary investigation. Any such consent order agreed upon and finalized by the Executive Director and Chairman shall be presented before the Council at the next regularly scheduled meeting for final approval. In cases in which no agreement is made, the Director of the Investigations Division of the Council shall assign the case to an investigator as in other cases.

A pre-investigative consent order may be rescinded by the Council if it is found to have been based on misleading, deceptive, untrue, or fraudulent information or documents submitted to POST Council or its staff. If a pre-investigative consent order is rescinded, the investigative matter shall be forwarded to the POST Investigations Division for review by the Council.

The Administrative Hearing Officer oversees the Pre-Investigative Consent Orders after case assignment from the Director of Investigations Division.

For FY19, POST Council has approved 89 Pre-Investigative Consent Orders.
